

Sri C. J. MUCKANNAPPA.—I do not know the number. I am told the case is before a court in Bangalore. There are several courts and I do not know in which court it is pending.

Mr. SPEAKER.—In the light of insufficient evidence that there is a case pending before a court and in the light of the reply by Government that there is no case pending before a court, I propose to allow further supplementaries.

Sri G. V. GOWDA.—Was there no periodical check in the Stores conducted by the Departmental people? when was the last check made in the stores?

Sri VEERENDRA PATIL.—The last check was made on 1-4-1960. Afterwards up to September 1962 no check was conducted. According to the rules our Executive Engineer and other officers are expected to verify the stocks once in every six months.

Sri S. M. KRISHNA.—According to the answer, 3 Executive Engineers are supposed to be in charge of the stocks. What is the action that the Government propose to take against these 3 Executive Engineers? Have they given an explanation as to why they did not check the stock?

Sri VEERENDRA PATIL.—We have ordered departmental enquiry against these Executive Engineers and the Deputy Director of Anti-Corruption is enquiring into this matter and Government is awaiting his report.

Sri S. SIVAPPA.—Since How long is this departmental enquiry going on?

Sri VEERENDRA PATIL.—We ordered the enquiry on 1-4-1963 and since then it is going on.
